President's  
Challenge:

### **Make a Box**

Bring it to the October  
meeting

## Minutes of the last Meeting

The meeting was called to order by President Jay Stanley. We had 4 guests.

### Treasurer's Report

Jim reported we have \$2171.07 in the bank. Dues are due, as we start our new year, and still a bargain at \$25.

### Election of Officers

Dusty Foran was elected President, Larry Carucci was elected Vice-President and Dean Center was re-elected Secretary for reasons no one can explain. Jim Rendle has an additional year in his term as Treasurer.

### Old Business

### **Club Web Site**

Our club web site is up again, but Yahoo has recently been sold yet again and we don't have access to the original code or our officer email accounts. Jim Palakovich has downloaded as much content from the site as he could. After all we've been through with Yahoo, Jim recommends allowing our relationship with Yahoo to expire, as it will naturally in the next month, and start all over with a new provider. The members agreed. Jim will be the web lackey.

### **MADEfair 2022**

Dean said he had just one response to calls for volunteers, but at the meeting 6 members said they would be interested in helping. The decision was made to have a short meeting after our members meeting to discuss and plan. NOTE: this subsequent discussion did not produce a viable plan and we will not have a booth at the fall MADEfair this year.

### **Club Picnic**

Dean reported that Bob Taylor has had a fall and is not sure he is up to the task of organizing the picnic, which was planned for Clyde Park later this month. After discussion, the members decided to move the picnic to Jay Stanley's house at 210 Valley St., in Manhattan, on Saturday, September 24, at 1 pm. Burgers will be provided, attendees are asked to RSVP to Jay or Dean, and bring a side dish or dessert, and chairs.

## Minutes, (cont'd)

### New Business

#### **Demos:**

October—Chris Nelson will demonstrate carving a bent spatula

November—We will try to get several members to demo ornaments, or other holiday gift items. Dusty has agreed to do one demo. More folks need to step up.

December—Boyd will demo texturing and making flat work or wall hangings on the lathe.

Club member and recent Treasurer Mike Conn passed away.

New President Dusty Foran would like to bring back the President's Challenge. For our next meeting it is, Make a Box. This can be as simple or as elaborate as the maker desires.
